

THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

1 December 1983

NOTE FOR: DD/OSO

FROM : Charlie Waterman, VC/NIC

I'm sending you the information I mentioned on Assistant NIO for General Purpose Forces. He has done an excellent job for us, and his note to me explains his motivation for staying in CIA for awhile longer. We would be pleased to keep him here, but will be shifting NIOs this spring and ultimately the new one may wish another assistant. It strikes me his background may be interesting to you.

National Intelligence Council

NIC #7725-83
27 October 1983

MEMORANDUM FOR: Charles E. Waterman
Vice Chairman, National Intelligence Council

VIA : National Intelligence Officer for General Purpose Forces

FROM : [REDACTED] 25X1
Assistant NIO for General Purpose Forces

SUBJECT : Future Assignment [REDACTED] 25X1

As a follow-up to our discussions regarding future assignment, a résumé of previous duty and qualifications is attached. The problem can be defined briefly as follows:

Should I extend past next summer, the Navy would be reluctant to give me another assignment since I would have insufficient time left in service to complete another 3-year tour of duty. Therefore, I would like some sort of informal moral commitment that the NIC would seek to retain my services (with the NIC, IC Staff, CIA or other related organization) to allow me to complete 30 years duty in the Navy (ending in late 1986 or early 1987). My preference after the NIC tour would be interesting duty (non-bureaucratic) at Langley or overseas. [REDACTED] 25X1
